SOROTAN

Reach both Pangpema North Base Camp (5,143m) and Yalung South Base Camp (4,500m) on a single circuit.

Cross three high passes: Sele La (4,290m), Sinion La (4,665m), and Mirgin La (4,480m).

Trek through one of Nepal's least-visited protected areas with rare wildlife sightings.

Witness sunrise on Kanchenjunga's massive 3,000m north face and its equally dramatic south face.

Experience Sherpa, Limbu, and Rai culture in villages that see fewer than 200 foreign trekkers per year.
